

## Discovery Cube Orange County in Santa Ana wants you to be a part of our great team!

Discovery Cube Orange County is a nonprofit organization dedicated to inspiring and educating young minds through engaging science based programs and exhibits to create a meaningful impact on the communities we serve.

**We are currently looking for a seasonal part-time (25 hours per week) After School Instructor who is personable, energetic, and professional to join our team.**

We are looking for a person who has EXCELLENT work ethic, is self-motivated, reliable, and EXTREMELY detail oriented to ensure the quality of the after school educational programs offered outside of Discovery Cube while fulfilling the mission of educating young minds, assisting teachers, and increasing public understanding and appreciation of science, math and technology.

### **Responsibilities:**

- Conducts educational programs at school sites with groups of 20-30 students
- Teach science enrichment activities to students in grades K-5 or 6-8
- Assist children with detailed oriented projects and activities
- Attend weekly staff meetings and trainings
- Prepare for lessons; collect, store, and care for materials; and master content knowledge
- Must be able to lift 25 pounds
- Drive to and arrive promptly at schools throughout Santa Ana
- Perform other duties as needed

### **Experience and Qualifications:**

- Experience working in an educational institution
- Experience working with science concepts
- Excellent written and verbal skills
- Knowledge of a second language preferable, but not required

### **Abilities & Behaviors:**

- Bachelor's Degree preferred
- 2 years' experience working with children
- Comfortable learning and teaching science concepts
- Quick learner
- Flexible
- Ability to work with school groups, educators, community-based organizations
- Vehicle driver's license and insurance

### **Discretion/Latitude:**

- Programs occur in the afternoon on Mondays – Fridays; trainings are typically held in the morning
- Must be a self-starter, and able to work alone and in teams
- Excellent planning and organizational skills and detail oriented

**Compensation:** Based on experience

**How to Apply:** E-mail Employment Application and Resume to [jobsoc@discoverycube.org](mailto:jobsoc@discoverycube.org).
