How it Works

Thank You for Your Support

During these times of change and uncertainty, we want to pause to thank you for your partnership. Thanks to you, our mission will continue.

While our mission takes many forms, at the core is our desire to help people and make this world a better place. We built our organization knowing small gestures make big differences.

Major Gift With Minor Effort

Many people are discovering that they can make a big difference to help further our mission with an IRA charitable rollover gift. For an added benefit consider designating our organization as a beneficiary of your IRA.

Reduce Taxes Increase Impact

The IRA charitable rollover provides several benefits. It allows you to transfer up to $100,000 from your IRA directly to a nonprofit this year. You pay no taxes on the transfer and your gift counts dollar-for-dollar to support our important work.

Act Now to Save on Taxes!

Margaret was a retired librarian. She volunteered at her favorite charity several times a week and also made several donations to the charity each year. Margaret saw that her taxes were increasing and wondered how she could continue to do extra things like make charitable gifts with lower income.

Margaret: I have been fortunate that I could make gifts to charity every year. I have been a long time supporter and would like to continue making gifts.

I started looking at ways to save money and continue supporting charity. I talked to my favorite charity and learned that I could transfer money directly from my IRA to charity.

An individual who is age 72 and older can transfer up to $100,000 per year directly to charity.

Margaret called her IRA custodian and requested a transfer of $10,000 from her IRA directly to our organization.

Margaret: I knew that I would never use all of the money in my IRA. I was thrilled to learn that a gift from my IRA could help my favorite charity.
