

PEBBLE BEACH®

The Ultimate Golf Excursion

June 11 – June 13, 2023

Our Mission is to inspire young minds through engaging science-based programs and exhibits in order to create a meaningful impact on the communities we serve.

DiscoveryCube

Sunday, June 11

Day one kicks-off with a private jet flight from Orange County to Monterey, where you will play a midday round of golf at Spyglass Hill Golf Course featuring sandy seaside dunes and majestic pines. After golf, check into your deluxe accommodation at The Lodge at Pebble Beach, then join the other players for a private cocktail reception, putting contest, and welcome dinner with the annual Folino Hall of Fame Award.

Monday, June 12

Day two begins with breakfast and consecutive morning tee times at The Links at Spanish Bay, a course boasting some of the best seaside views with rolling fairways and gorgeous dunescape. Monday is also host to our Father-Son Challenge, optional for those attending with family. Later that evening, enjoy the ever-popular chipping contest, cocktails, course stories, and a gourmet meal.

Tuesday, June 13

Day three starts with breakfast before your tee time at the world-famous Pebble Beach Golf Links, showcasing wide-open vistas, cliff side fairways, and sloping greens. After golf, soak in the views and enjoy lunch at The Lodge in our private dining room and balcony overlooking the 18th green. Before heading home, we wrap up this amazing trip with the Chairman's Cup Awards Ceremony. At departure, you will board a private jet to return to Orange County, just in time for a shower and dinner at home; the perfect end to the ultimate golf experience.

Spyglass Hill Golf Course

Themed after Robert Louis Stevenson's classic novel Treasure Island, Spyglass Hill Golf Course features the unique challenge of seaside greens mixed with narrow forest-lined fairways. Test your game on holes such as "Billy Bones", "Skeleton Island" and "Signal Hill"—the challenging 8th hole that many consider the most difficult par-4 under 400 yards in the world. Named one of the top public courses in America by Golf Digest, this legendary course is also rated as one of the toughest in the world from the championship tees. Legendary Los Angeles Times columnist Jim Murray reveled in its humanizing and sometimes humbling difficulty when he first saw Spyglass Hill during the 1967 Bing Crosby National Pro-Am: "It's a 300-acre unplayable lie... If it were human, Spyglass would have a knife in its teeth, a patch on its eye, a ring in its ear, tobacco in its beard and a blunderbuss in its hand... I love every unplayable inch of it. Every golf course in the world is Spyglass Hill to me."

- Rating: 75.1
- Slope: 145
- Yardage: 6,960

Spanish Bay Golf Links

Tucked among the rolling sand dunes on the western tip of the Monterey Peninsula sits the Links at Spanish Bay. In 1987 Robert Trent Jones, Jr., Tom Watson, and Sandy Tatum teamed up to artfully craft a distinctly Scottish look. From the prevalent marine layer, to the white sand dunes, and manicured fairways, The Links at Spanish Bay evoke the original Scottish feel of the game. The majority of the front nine is played among sand dunes with striking views of the Pacific Ocean and a dramatic contrast to the green and gold hues that create an unforgettable backdrop. The Links at Spanish Bay is an elegant, challenging journey into golf's beginning that will leave you with a truly wonderful experience to remember.

- Holes: 18
- Par: 72
- Rating: 73.7
- Slope: 143
- Yardage: 6,726

Pebble Beach Golf Links

Pebble Beach Golf Links is one of the most famous courses in the world and has been home to some of the most legendary moments in golf history. The course hugs the rugged coastline and has wide open views of Carmel Bay, opening up to the Pacific Ocean on the south side of the Monterey Peninsula. Since 1919, golfers have enjoyed the course's unparalleled ocean views, stunning beauty and signature holes, including the par-3 7th, par-4 8th and the greatest finishing hole in golf, the par-5 18th. "It's one of the most intimidating golf courses I've ever played" said PGA Champion Rich Beems, "you get caught up in the views so easily, and all of a sudden you've got all of these difficult shots into greens that look like the size of dimes." Every golfer deserves to play Pebble Beach once in their life.

- Holes: 18
- Par: 72
- Rating: 74.7
- Slope: 145

THE ULTIMATE GOLF EXCURSION BENEFITING SCIENCE EDUCATION

Now in its 16th year, our Chairman's Cup event, a premier golfing experience, continues to grow in importance for the Cube as it raises funds and awareness to support our educational programs and initiatives.

Every June, we host an elite group of business, community, and philanthropic leaders from Southern California for three days of play on some of the most picturesque courses around, just up the California coast in Pebble Beach.

Along with friendly rounds of golf every day and a few other spirited contests, this event offers the opportunity to learn more about the impact of Discovery Cube and the needs of our community for high quality Science, Technology, Engineering, and Math (STEM) education.

The foundation of Discovery Cube's mission is brought to life through our four core initiatives: STEM Proficiency, Early Childhood Education, Healthy Living, and Environmental Stewardship. They not only shape the vision of our brand but inspire educators, students, our community, and all of us committed to lifelong learning.

Behind the fun of our hands-on exhibits and engaging programs is a team of dedicated educators looking to extend science education beyond our campuses. Discovery Cube offers school districts, administrators, and parents critical educational tools and resources including onsite and virtual field trips, camps, after school programs, educational outreach efforts, early childhood education and so much more.

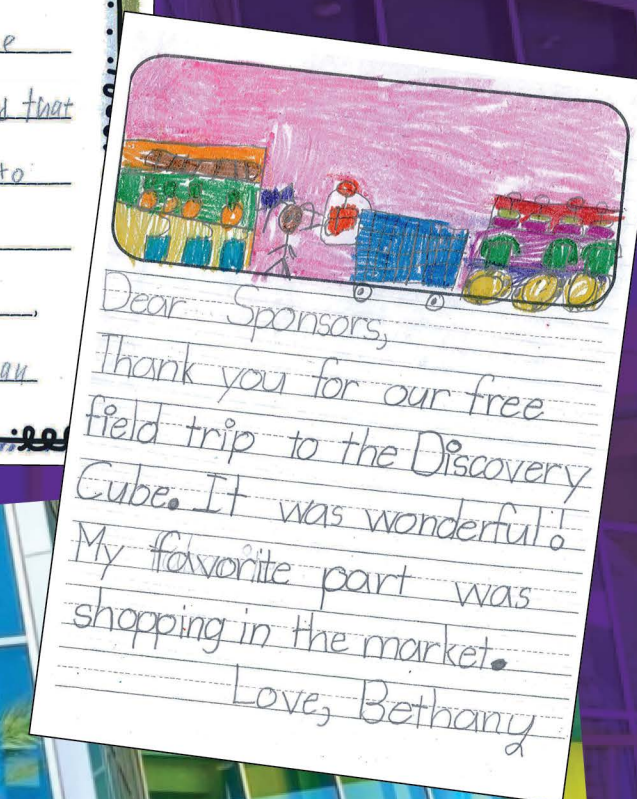

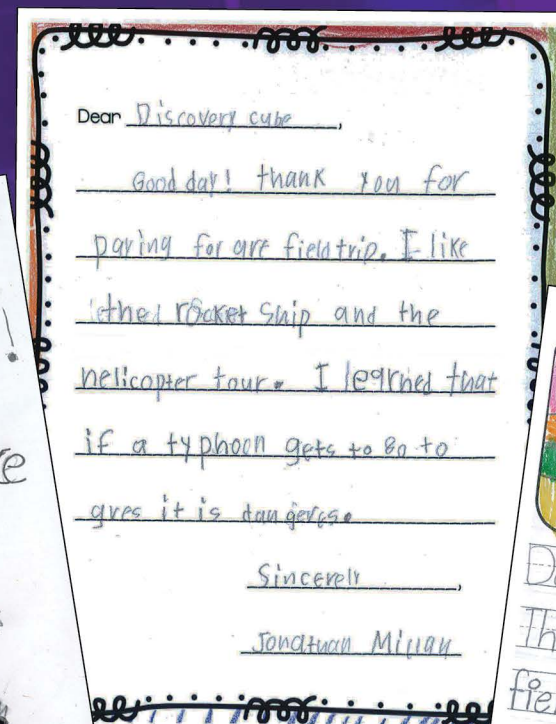

Thanks to the vision and support of founding participants and current co-chairs, Steve Litchfield and Jim Mazzo, the Chairman's Cup has become a vital signature event, raising over \$1 million annually for science education.

It's a joy for us to engage with other visionary leaders through this event and share the Cube's plans for expanding our impact as we look to inspire more students in scientific fields and innovative practices for the future.

We look forward to having you join this influential group and seeing the role you'll play in empowering our next generation to seek a brighter future. Thank you for being a driving force for science education in Southern California, and beyond!

Rick Bailey
Board Chairman, Discovery Cube Orange County

Putting Contest

Put your putting skills to the test! Sunday night's cocktail reception includes a fun and care-free putting contest held at Pebble's putting green right at the heart of The Lodge. 1st through 5th place winners receive a Pebble Beach gift card useable at any Pebble Beach retail store; go ahead, grab that good-looking Pebble jacket you have been eyeballing!

Chipping Contest

Monday night's highly anticipated chipping contest comes with lots of laughter and friendly competition for a 50/50 cash prize and bragging rights. Each player starts off with two free shots to be taken any time during cocktail reception.

Father-Son Challenge

Monday's course plays host to our Father-Son challenge where fathers and their sons are paired together, scored as a team, and compete against other Father-Son pairings. Winners of this sub-competition will receive a framed photo and bragging rights until next year. Brownie points for matching attire!

Additional shots can be purchased throughout cocktail reception:

\$20/ball from 5:30pm – 6:00pm

\$40/ball from 6:00pm – 6:30pm

\$80/ball from 6:30pm – 7:00pm

Chairman's Cup Sponsorship Opportunities

Sponsorships at the Chairman's Cup are an additional way to support the Cube's hands-on science education programs throughout Southern California. These funds directly sponsor field trips, camps, world-class outreach programs, after school programs, and everything in between! Not only will your sponsorship support children in our communities but it will also promote your organization to a highly influential group of Southern California's most prominent community, business, and philanthropic leaders. Throughout the event, we offer a wide variety of sponsorship opportunities ranging from \$1,500 to \$5,000.

Golf Course and Contest Sponsorships

Sponsorship opportunities include Greens Fee Sponsors, on-course contests such as longest drive and closest to the pin, and the popular evening putting and chipping contest events.

Meal and Drink Sponsorships

Opportunities include daily Breakfast, Lunch, Dinner, complimentary Drink Tickets for post-dinner Tap Room gatherings, and the Awards Ceremony on our final day.

Player SWAG Items Sponsorships

Sponsor an item in the Player Welcome Bag! Players receive welcome gifts in each of their rooms that include premium brand pull-overs, hats, polos, golf day-bags and much, much more.

Live Auction Items

An additional way to support this event is by donating an auction item or package. We are always looking for unique one-of-a-kind experiences that offer our attendees a fun and exciting way to support the Science Center through our Live Auction at Monday night's dinner. Highly sought-after packages include exclusive golf outings, VIP experiences, and luxury vacations.

If you would like to learn more about the event, available sponsorship opportunities, or have an auction item you would like to donate, contact Mike Fuhr at (714) 913-5026 or mfuhr@discoverycube.org

Our Core Initiatives:

STEM PROFICIENCY

To raise the level of STEM proficiency among students in the community.

HEALTHY LIVING

To teach families the importance of nutrition and having an active lifestyle, while bringing awareness to health issues such as diabetes and obesity.

EARLY LEARNING

To teach young children how to read, understand the concept of numbers, interpret complex language and prepare to succeed in school.

ENVIRONMENTAL STEWARDSHIP

To create environmental stewards who conserve and protect our limited resources and put into practice the concepts of reduce, reuse, recycle to become better champions for the environment.

How We Do It:

EXHIBITS

- Renovated and NEW!
- Large-scale, hands-on, interactive
- Founded in NGSS

SEASONAL FESTIVALS

- Bubblefest
- Pumpkin Palooza
- Winter Lights
- Festival of STEM

OUTREACH PROGRAMS

- The Cube comes to you!
- Workshops and Assemblies
- Environmental partnerships
- Expanded after-school programs

ON-SITE PROGRAMS

- All new immersive Field Trip experiences
 - Correlated with NGSS
 - Include pre and post field trip activities and videos
 - Assessment of learning
- Camp Discovery, Summer and Winter
- STEM Club

CUBE STUDIOS

- Cube family of characters: puppets, animation, live-action
- Cube-created videos

TEACHERS RESOURCES

- Discovery Cube Connect
- Teachers Night Out
- Field Trip Curriculum
