

# The Ultimate Golf Excursion

## Benefiting Science Education

Our mission is to inspire young minds through engaging science-based programs and exhibits in order to create a meaningful impact on the communities we serve.

### SUNDAY, OCTOBER 27

Day one kicks off with a private jet flight from Van Nuys Airport to Monterey, where you will play a midday round of golf at the **Links at Spanish Bay** featuring gorgeous panoramic views of the Pacific Ocean beyond the green. After golf, we will return to the Inn at Spanish Bay to relax and freshen up before a private cocktail reception, chipping contest, and welcome dinner.

### MONDAY, OCTOBER 28

Day two starts with breakfast and consecutive morning tee times at the world-famous **Pebble Beach Golf Links**, which boasts stunning vistas, rolling greens, and fairways along the cliffside. Later in the evening, we will come together to enjoy our putting contest, cocktails, course stories, and a private gourmet meal.

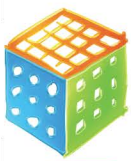

### TUESDAY, OCTOBER 29

Day three begins with breakfast before heading out for a round of golf at **Spyglass Hill Golf Course**, which features a beautiful blend between the green, sandy seaside dunes, and the surrounding trees. Following golf, we will gather to enjoy a private reception at the Inn to conclude the ultimate excursion. At our departure, you will board a private jet to return to Los Angeles and be home in time to unwind.

**All the while supporting our students, teachers and community with interactive science education, too!**
