

# Take Science Home!

## From the Elements Store

Your child is going to have an incredible time learning and exploring amazing science concepts here at Discovery Cube LA. But the fun doesn't have to stop when your child leaves!

Use this form to preorder and purchase items in advance. We'll fill your order while your child explores our exhibits, enabling your child to take home a memento from their visit to Discovery Cube.

Discovery Cube LA is a nonprofit organization, and all proceeds support our children's educational programs and activities.

### To make a purchase:

1. Fill out this form.
2. Provide cash for the total amount in a sealed envelope.
3. Attach this form to the outside of your envelope. Label the envelope with your child's name.
4. Return this form to your child's group leader prior to the field trip.

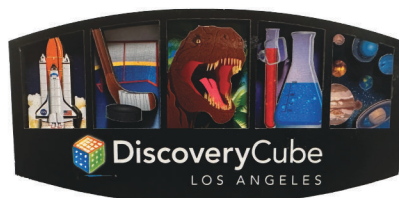

Change can be provided for cash transactions, though rounding up your change helps support Discovery Cube's nonprofit education programs.

Child's Name: \_\_\_\_\_ School/Organization: \_\_\_\_\_

Teacher Name: \_\_\_\_\_ Date of Visit: \_\_\_\_\_
