

PEBBLE BEACH®

The Ultimate Golf Excursion

November 7- November 10, 2026

THE ULTIMATE GOLF EXCURSION

BENEFITING SCIENCE EDUCATION

Welcome to the 4th Annual Discovery Cube Los Angeles Chairman's Cup the ultimate golf excursion with a powerful purpose. This signature event brings together an inspiring community of business, civic, and philanthropic leaders from across Southern California for three unforgettable days of golf along the breathtaking California coast in Pebble Beach, all in support of advancing science education for the next generation.

More than a premier golfing event, the Chairman's Cup is a vital fundraiser that directly supports Discovery Cube's mission to expand access to Science, Technology, Engineering, and Math (STEM) education. Your participation helps provide transformative learning opportunities for students and families.

Throughout the event, guests will enjoy friendly rounds of golf, spirited competitions, and meaningful connections while learning more about the growing need for STEM education in our communities and the lasting impact Discovery Cube programs make every day.

Discovery Cube's mission is guided by four core initiatives: **STEM Proficiency, Early Childhood Education, Healthy Living, and Environmental Stewardship**. These pillars drive our work to inspire curiosity, strengthen critical thinking, and prepare students for the opportunities and challenges of tomorrow. Behind every interactive exhibit and educational program is a dedicated team working to bring science education beyond museum walls. Through onsite and virtual field trips, camps, after-school programs, early childhood education, and community outreach initiatives, Discovery Cube provides critical resources for educators, school districts, and families across Southern California. Your generosity helps us reach even more students, ignite more curiosity, and open doors to futures in science and innovation.

Thanks to the leadership of our Chairman's Cup Committee and the Discovery Cube Los Angeles Board of Directors, this event continues to grow each year as a powerful force for educational impact. But its success depends on supporters like you. By participating, sponsoring, and supporting the Chairman's Cup, you are investing in the scientists, engineers, innovators, and problem-solvers of tomorrow.

Together, we can expand Discovery Cube's reach, inspire young minds, and create brighter opportunities for children throughout Southern California and beyond.

A handwritten signature in blue ink that reads "Joe Adams".

Joe Adams
CEO, Discovery Cube

WELCOME

Dear Sponsors,
Thank you for our free
field trip to the Discovery
Cube. It was wonderful!
My favorite part was
shopping in the market.
Love, Bethany

Thank you for
letting us visit you!
Your generosity will
make a difference
in our lives.

“Today at the Cube, I learned
that you don't need a big brain
to do something incredible; all
you need is a big heart and a
passion for what you do.”

Student from
Immaculate Conception: Annunciation Catholic School
Monrovia

Our Mission is to inspire young minds through engaging science-based programs and exhibits in order to create a meaningful impact on the communities we serve.

DiscoveryCube

Saturday, November 7

Your trip begins with a private charter from Los Angeles to Monterey. You will arrive at the **Inn at Spanish Bay** just in time to check in to your room and enjoy an evening free from programming. The night is full of possibilities. Enjoy a meal at one of the Inn's delectable restaurants, or sit near the fire pits and listen to the bagpiper stroll along the course. The night is yours to rest and explore!

Sunday, November 8

After breakfast, day two begins with a morning round of golf at **The Quail Golf Club**, a 6,400-yard gem known for pristine fairways, smooth greens, and a layout that challenges golfers of every skill. Later in the evening, we will come together to enjoy our putting contest, cocktails, course stories, and a private gourmet meal at The Lodge.

Monday, November 9

Day three kicks off with breakfast and consecutive morning tee times at **Spyglass Hill Golf Course**, which features a beautiful blend of green, sandy seaside dunes and surrounding trees. Later in the evening, we will come together to enjoy our putting contest, cocktails, course stories, and a private gourmet meal at The Lodge.

Tuesday, November 10

The final morning begins at the world-famous **Pebble Beach Golf Links**, which boasts stunning vistas, rolling greens, and fairways along the cliffside. Following golf, we will gather to enjoy a private awards reception at the Inn to conclude the ultimate excursion. At our departure, you will board a private charter to return to Los Angeles and be home in time to unwind.

The Quail Golf Club

Nestled in the heart of Carmel Valley, The Quail Lodge Golf Club offers a serene yet challenge golf experience surrounded by rolling hills and pristine fairways. Designed by Robert Muir Graves and refined by Todd Eckenrode, the 18-hole championship course is known for its immaculate conditions and playability for all golfers. Each hole captures the natural beauty of the valley with wide fairways and strategic bunkering. The peaceful setting and gentle breeze from the Carmel River make Quail Lodge not only one of the most scenic courses on the Monterey Peninsula, but also one of the most enjoyable to play.

- Holes: 18
- Par: 71
- Rating: 71.3
- Slope: 128
- Yardage: 6,464

Spyglass Hill Golf Course

Themed after Robert Louis Stevenson's classic novel Treasure Island, Spyglass Hill Golf Course features the unique challenge of seaside greens mixed with narrow forest-lined fairways. Test your game on holes such as "Billy Bones", "Skeleton Island" and "Signal Hill"—the challenging 8th hole that many consider the most difficult par-4 under 400 yards in the world. Named one of the top public courses in America by Golf Digest, this legendary course is also rated as one of the toughest in the world from the championship tees. Legendary Los Angeles Times columnist Jim Murray reveled in its humanizing and sometimes humbling difficulty when he first saw Spyglass Hill during the 1967 Bing Crosby National Pro-Am: "It's a 300-acre unplayable lie... If it were human, Spyglass would have a knife in its teeth, a patch on its eye, a ring in its ear, tobacco in its beard and a blunderbuss in its hand... I love every unplayable inch of it. Every golf course in the world is Spyglass Hill to me."

- Holes: 18
- Par: 72
- Rating: 75.1
- Slope: 145
- Yardage: 6,960

Pebble Beach Golf Links

Pebble Beach Golf Links is one of the most famous courses in the world and has been home to some of the most legendary moments in golf history. The course hugs the rugged coastline and has wide open views of Carmel Bay, opening up to the Pacific Ocean on the south side of the Monterey Peninsula. Since 1919, golfers have enjoyed the course's unparalleled ocean views, stunning beauty and signature holes, including the par-3 7th, par-4 8th and the greatest finishing hole in golf, the par-5 18th. "It's one of the most intimidating golf courses I've ever played" said PGA Champion Rich Beems, "you get caught up in the views so easily, and all of a sudden you've got all of these difficult shots into greens that look like the size of dimes." Every golfer deserves to play Pebble Beach once in their life.

- Holes: 18
- Par: 72
- Rating: 75.1
- Slope: 145
- Yardage: 6,828

Sponsorship Opportunities

Sponsorships at the Chairman's Cup are an additional way to support the Cube's hands-on science education programs throughout Southern California. These funds directly sponsor field trips, camps, world class outreach programs, after school programs, and everything in between! Not only will your sponsorship support children in our communities but it will also promote your organization to a highly influential group of Southern California's most prominent community, business, and philanthropic leaders. Throughout the event, we offer a wide variety of sponsorship opportunities for individuals and corporations.

Golf Course and Contest Sponsorships

Sponsorship opportunities include Greens Fee Sponsors, on-course contests such as longest drive and closest to the pin and the putting contest.

Meal Sponsorships

Opportunities include daily breakfasts, lunches, dinners, and the Awards Ceremony on our final day.

Player SWAG Items Sponsorships

Sponsor an item in the Player Welcome Bag! Players receive welcome gifts in each of their rooms that include golf staples such as premium brand pull-overs, polos, or hats.

If you would like to learn more about the event and available sponsorship opportunities please contact Rob Woolley at rwoolley@discoverycube.org or (818) 686-2847

Plan your trip today!

In Pebble Beach golf is just the start, great adventures await so take a look at our curated menu of outings and experiences and choose your own vacation journey!

Our Core Initiatives:

STEM PROFICIENCY

To raise the level of STEM proficiency among students in the community.

HEALTHY LIVING

To teach families the importance of nutrition and having an active lifestyle, while bringing awareness to health issues such as diabetes and obesity.

EARLY LEARNING

To teach young children how to read, understand the concept of numbers, interpret complex language and prepare to succeed in school.

ENVIRONMENTAL STEWARDSHIP

To create environmental stewards who conserve and protect our limited resources and put into practice the concepts of reduce, reuse, recycle to become better champions for the environment.

How We Do It:

EXHIBITS

- Large-scale and hands-on
- Themed and interactive
- Gamification through challenges and adventures
- Traveling exhibits
- Call to action for impact

SEASONAL FESTIVALS

- Spooky Science
- Science of Gingerbread
- Noon Year's Eve

OUTREACH PROGRAMS

- The Cube comes to you!
- Workshops and Assemblies
- Environmental partnerships
- Expanded after-school programs

ON-SITE PROGRAMS

- All new immersive Field Trip experiences
 - Correlated with NGSS
 - Includes pre- and post-field trip activities and videos
 - Assessment of learning
- Camp Discovery, Summer and Winter
- STEM Club

CUBE STUDIOS

- Cube family of characters: puppets, animation, live-action
- Cube-created videos

TEACHERS RESOURCES

- Discovery Cube Content
- Pre- and post-field trip activities and videos
- Assessment of learning
