OFFICIAL COMPETITION RULES AND REGULATIONS

1. This contest is open to individuals, businesses and organizations. Your creation does not have to be a house. It can be any gingerbread structure that your imagination can come up with!
2. All entries must be dropped off from November 21 - 29, 2026 between the hours of 11am and 4pm, excluding Thanksgiving Day, Thursday, November 26, 2026.
3. Entries will be displayed starting December 5, 2026 through January 10, 2027. All entries must remain at Discovery Cube during this time period.
4. Creations must be constructed mainly of gingerbread, candies and icing. Please consider longevity when creating your structure. Discovery Cube will apply treatment to your structure once it goes on display, so it will no longer be edible after you turn it in.
5. The entire visual display must be made of edible materials with the exception of the surface it is mounted upon. Non-visible interior supports of other materials are allowed.
6. The gingerbread display must be mounted on a solid base, at a 30" x 30" maximum. Exceptions may be made under prior arrangements. Please contact us at 714.263.3882.
7. All entries should be kid/family friendly. Discovery Cube reserves the right to not accept or remove any entries deemed inappropriate or in disrepair.
8. Winners will be announced at our Science of Gingerbread Award Ceremony, and notified by phone no later than December 18, 2026.
9. Entries will be judged on creativity, construction, decoration detail, use of gingerbread, color and adherence to guidelines.
10. All entries will be disposed of at the end of the exhibition. Special accommodations for pickup on January 4, 2027 can be made under prior agreements on or before December 26, 2026. Please call 714.263.3882.
11. Each submission will receive an invite to RSVP to our exclusive Science of Gingerbread Award Ceremony held on Friday, December 4 from 5:30 pm – 7:30 pm, up to 4 guests per submission. Additional guests may purchase discounted tickets at $10 each (valid for event only).

Subject to change. By entering this competition, you will be subscribed to Discovery Cube's email list to receive updates about upcoming exhibits, events and promotions.

Notice: All creations will be disposed of at the end of the exhibition.
